Master of Puppets (Live with the SFSO)

Metallica & San Francisco Symphony

End of passion play, crumbling away I'm your source of self-destruction

Neins that pump with fear

Sucking darkest clear

Leading on your death's constructionTaste me, you will see

More is all you need

You're dedicated to

How I'm killing youCome crawling faster

Obey your master

Your life burns faster

Obey your Master

Master

Master of puppets, I'm pulling your strings

Twisting your mind and smashing your dreams

Blinded by me, you can't see a thing

Just call my name, 'cause I'll hear you scream

Master

Master

Just call my name, 'cause I'll hear you scream

Master

MasterNeedlework the way, never you betray

Life of death becoming clearer

Pain monopoly, ritual misery

Chop your breakfast on a mirrorTaste me, you will see

More is all you need

You're dedicated to

How I'm killing you

Come crawling faster

Obey your master

Your life burns faster

Obey your Master

MasterMaster of puppets, I'm pulling your strings

Twisting your mind and smashing your dreams

Blinded by me, you can't see a thing

Just call my name, 'cause I'll hear you scream

Master

Master

Just call my name, 'cause I'll hear you scream

Master

Master(Solo #1)Master

Master

Where's the dreams that I've been after?

Master

Master

You promised only lies

Laughter

Laughter

All I hear or see is laughter

Laughter

Laughter

Laughing at my cries

Fix me(Solo #2)Hell is worth all that, natural habitat

Just a rhyme without a reason

Never-ending maze, drift on numbered days

Now your life is out of seasonI will occupy

I will help you die

I will run through you

Now I rule you, tooCome crawling faster

Obey your master

Your life burns faster

Obey your Master

MasterMaster of puppets, I'm pulling your strings

Twisting your mind and smashing your dreams

Blinded by me, you can't see a thing

Just call my name, 'cause I'll hear you scream

Master

Master

Just call my name, 'cause I'll hear you scream

Master
