

Reboot the Mission (feat. Mick Jones)

The Wallflowers

Where you're going has no signs
And you're not going in a straight line
You ought to have me on your mind
I dare you to think otherwise
Under the water, more water
You keep diving and you won't be recovered
You need a clue
Now, come in closer
I wanna tell you, you've had it coming
[CHORUS]
Eyes on the prize
Reboot the mission
(You've had it coming)
I lost my sight
But not the vision
Eyes on the prize
Reboot the mission
(You've had it coming)
I lost my sight
But not the vision
Move your body
Look alive
Don't you think it wants out sometime
It's even better than you've implied
Dice on the table
Let it ride
New moon showing
Over the buildings
Midnight shifts are just beginning
Let your hair down
I want you singing
I gotta say it, you've had it coming
[CHORUS]
No matter how you use it
Which way you swing
Even the longest day at some point ends
Throw your shoes off
Hat in the ring
Show me a hook-shot
The whole thing
Now, welcome Jack, the new drummer
He jammed with the mighty Joe Strummer

I see Rami, Greg and Stuart
(What's up Jake?)
I gotta say, Jay, we've had it coming
[CHORUS]
(Had this coming)
