

# Push

## The Cure

Go go go  
Push him away  
No no no  
Don't let him stay  
He gets inside to stare at her  
The seeping mouth  
The mouth that knows  
The secret you  
Always you  
A smile to hide the fear away  
Oh smear this man across the walls  
Like strawberries and cream  
It's the only way to be  
Exactly the same clean room  
Exactly the same clean bed  
But I've stayed away too long this time  
And I've got too big to fit this time
