Looking Down the Cross

Megadeth

Now before they take me and my blessed life Now you'll know why death was summoned here tonight I'll recall my perils, they'll kill me in pride No, I can't run away there's no place to hide Though too much to live for, I owe enough to die Ask not for salvation, my death shall mean their lives Hatred and guilt the alter they've built high priests of sin Destiny, fate the wicked ones gate beckoning you in. Beckoning you in Down the walkways, through the blood stained town Looking down the cross, bleeding from the crown Led to stay to die besides the thieves Kill the king of the world to be And now to you, this will come A putrifying pestilence More noxious than the serpents breath Malevolently destined More corrupt than the malice of choronzon More disease than the wind Of the moonlight sun Putrefaction you have caused No need for confession Now you wish you had a God to stop your demolition Crushing the bones of the hundredfolds Swinging the judgement hammer Man, woman, child no-one is safe The heads of the dead are the banner And this was all you got So don these broken wings Sands of time run out Bells of Hades ring Is this a nightmare To unhallow thy name Smell of brimstone Dancing in the flames No help now as you fulfill his task Chief of evil has got you by the ass Set free to sit upon the throne Just a dream? Your weeping all alone! Looking down the cross (speak no evil)
