

Room 112 (Intro)

112

"112 Intro"
(Puff Daddy:)
Yeah, that's what
I'm talkin' 'bout
Sounds real dramatic
Like something's coming
Got that real intro
Type vibe to it
Yeah enough of
The smooth sh*t
It's bad boy baby
They go by the name of
Q, Mike, Slim, Daron
And this is part three
You know like the third album
Like the third time
We've been here
Like Part III motherf***ers
And oh yeah
They represent the ATL
Come on
(112:)
Just a little 112
Is all you need
Just a little 112
Is all you need
Just a little 112
Is all you need, oh yeah
Just a little 112
Is all you need(Puff Daddy:)
Let's do it
