

# What Is This Feeling

Al Green

What is this feeling I have in my heart for you?  
Ah, baby, oh baby  
Is one of the things I can't explain to you  
And that's how I feel about you You kissing me a thousand times  
Slowly driving me out of my mind, oh ho, baby, yeah  
I'm really crazy about the way you can be, my baby, yeah  
Why can't you be that way to satisfy me, oh baby, oh yeah You go out late at night, that you do  
Knowing thing with you and me ain't right, no  
My love, love, love, my love, love  
Baby, baby, somebody need to help me now, yeah  
Love, love, love, love, love, love, love, baby, yeah, say I'm yours, I'm yours, baby, yeah  
I'm yours, I'm yours to keep, babe  
Crazy about the way you can be, yes I am  
Hey baby, hey baby, yeah  
Why can't you be that way to satisfy me, baby, yeah I'm yours, I'm yours, yours to keep, baby,  
yeah  
I got to say, your love me it's something  
To put me on my feet, baby  
I have to, I have to keep on saying, yeah  
My love, love, love, bay  
Won't you, babe  
Hey, let me come on into your love, baby  
Oh, all you got to do hold me tender, love me long  
Hey baby, yeah I want to know, I got to know What is this feeling?  
What is this feeling?
