

# When a Man Loves a Woman

Bette Midler

When he held me in his arms  
When he held me in his arms and said  
"Baby, baby, baby, you are the only one for me" When a man loves a woman can't keep his  
mind on nothing else  
He'll trade the world for the good thing he found  
Yeah, if she's bad, he can't see it, she can do no wrong  
Turn his back on his best friend if he put her down When a man loves a woman  
Spend his very last dime tryin' to hold on to what he needs  
He'll give up all his comforts, go out and sleep out in the rain  
If she says, "Baby, that is how it's gonna be"  
When a man loves a woman  
Gives her everything that he has  
Tryin' to hold on to her precious love  
Cryin, "Baby, baby, please don't treat me bad" When a man loves a woman, down deep in his  
soul  
She can bring him such misery  
Yeah, she's bad, but, ooh, he's the last one to know  
Lovin' eyes don't ever see So, this man says he loves me, he loves me  
He gives me everything, everything, everything that he has  
Tryin' to hold on to my precious love  
Cryin', "Baby, baby, baby, don't you, don't you treat me, treat me bad" Oh yeah  
Oh I'm leavin' him  
Oh, when a man loves a woman, he can do her no wrong  
He could never hold another girl  
Oh, you tell me you love me, baby  
And gonna ho-ho-hold me tight baby, baby, this is a man's world No, no, oh baby  
A change is gonna come down  
In this man's world
