

Make Em Say (feat. Mulatto)

NLE Choppa

(Hook)

Ay, and we know some good dick that make the pussy say

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good pussy make a nigga say

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good dick that make the pussy say

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good pussy make a nigga say

And I'm a scorpio too, this your dick baby girl

I think I'm in love, love, love

I think I'm in love, love, love

(Verse 1)

Ay, ay, I like a ratchet bitch

It's something bout it, when she smash with her bonnet on

Keep my dick up in her dome, Im fucking up her chromosomes

Like it when a young nigga hit it, she thought that I was grown

Open up your mouth, Imma spit in it while I'm stroking long

Hit it from the back like where you running from

Left a nut up on her ass, in the back like a honeybun

Hunnid drums and hunnid guns, your ex play, he a dummy dumb

Bust nut on her lip, left her nigga asking where she coming from

Say that she a baller, Im like bitch you know I ball too

If she on her period, her pussy turn to ragu

Looking at my chain, she got wet bitch thats what that bag do

I knock the pussy out the park, now she calling me babe Ruth(yeah, ohh)

(Hook)

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good dick that make the pussy say

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good pussy make a nigga say

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good dick that make the pussy say

Oh oh oh, oh oh oh, oh oh oh, ah ah

And we know some good pussy make a nigga say

And I'm a scorpio too, this your dick baby girl

I think I'm in love, love, love

I think I'm in love, love, love(Verse 2)

He know what time it is

He better not try a bitch

I had the nigga sprung before I even tried the dick

Who you know gon ride the dick

Take It out and swallow it

Kitchen counter, coffee table, couch, all type a shit
Makeup sex we don't even talk it out
He love my Boosie verse, he want to see what the hype about
Make him eat it late night like the Waffle House
And purple pickle me, pull up, dont gotta type it out
Yeah I'm wifey, fuck him like a rachet
He gon drop it in a box, like a ballot
If it's gon have me calling up bitches and spazzin'
Sapping in my captions, than I gotta have it(Hook)
And we know some good dick that make the pussy say
Oh oh oh, oh oh oh, oh oh oh, ah ah
And we know some good pussy make a nigga say
Oh oh oh, oh oh oh, oh oh oh, ah ah
And we know some good dick that make the pussy say
Oh oh oh, oh oh oh, oh oh oh, ah ah
And we know some good pussy make a nigga say
And I'm a scorio too, this your dick baby girl
I think I'm in love, love, love
I think I'm in love, love, love
