

# Long, Slow Kisses

Jeff Bates

Hey baby, I guess you're wondering  
What I'm doing home so soon  
Naw, I ain't sick  
It's just, this morning when you told me  
You didn't feel like you were the most  
Important thing in my life anymore  
Well that broke my heart  
So I had to turn around and come back  
And tell you what I'm gonna do about it I'm gonna light the bedroom candles  
Take the phone out of the wall  
We can lay around and talk for hours  
Or maybe we won't talk at all  
I'm gonna resurrect the love  
That slipped away from us  
And the man you've been missin'  
Startin' with some long, slow kisses  
I just wanna let you know how ashamed I am  
For making you feel that way  
Darlin', I'm so sorry  
I guess I've just been focusin'  
Too much time on making a living  
And way too little on making love  
But if you can just find it in your heart to forgive me  
Girl, I swear from this moment on  
You'll always know where you stand with me I'm gonna light the bedroom candles  
Take the phone out of the wall  
We can lay around and talk for hours  
Or maybe we won't talk at all  
I'm gonna resurrect the love  
That slipped away from us  
And the man you've been missin'  
Startin' with some long, slow kisses  
'Cause what really matters most  
Is you and me this close  
Feeling no distance  
Sharin' some long, slow kisses  
Sharin' some long, slow kisses
