

Still In Love

[Kirk Franklin](#)

That touch I felt was You, I believe it
It felt like something You would do
How You, You keep reminding me
That You made me for You I knew that there would be some days
That can't be guaranteed to be blue
It's true but then where would I be without opportunities
To watch You change my broken life Hear You, tell me it's gon' be alright
Now see Your plans come together
In ways I can't even explain Together we been through hard times
But Jesus, I'm still in love with You
I've had many loves in my life
But Jesus, You make me feel brand new
You know it's hard for me to believe
That You love me no matter what I do
So how I live, I hope You can see
That I'm in love with You The morning sun was You
I appreciate it, just what I needed to get through
'Cause You knew I had a stressful day
Gotta get away with You, Jesus You, You make me happy
If I wrote down all the things You do
The list would take forever
I thought it might be better to tell You Why I smile is 'cause You
You bring no drama in my life
It was dark but I can see the light now
Everything is so beautiful to me
(Hey DJ)
Turn it up, it feels so good
To have somebody love you
And your heart won't break
Turn it up if you've been through love You're ready now to let go of yesterday
Get on up and get yourself together
He's callin' you, it's all for you
If you don't know Jesus is so in love with you You, You, yeah that's You just keep doing what
You do
No one does me like You do
That's why I'm so in love with You
Who? You, yeah, it's You and if I have to got through
As long as I'm with You, I'm gone
