Still In Love

Kirk Franklin

That touch I felt was You, I believe it It felt like something You would do How You, You keep reminding me

That You made me for YouI knew that there would be some days

That can't be guaranteed to be blue

It's true but then where would I be without opportunities

To watch You change my broken lifeHear You, tell me it's gon' be alright

Now see Your plans come together

In ways I can't even explainTogether we been through hard times

But Jesus, I'm still in love with You

I've had many loves in my life

But Jesus, You make me feel brand new

You know it's hard for me to believe

That You love me no matter what I do

So how I live, I hope You can see

That I'm in love with YouThe morning sun was You

I appreciate it, just what I needed to get through

'Cause You knew I had a stressful day

Gotta get away with You, Jesus You, You make me happy

If I wrote down all the things You do

The list would take forever

I thought it might be better to tell YouWhy I smile is 'cause You

You bring no drama in my life

It was dark but I can see the light now

Everything is so beautiful to me

(Hey DJ)

Turn it up, it feels so good

To have somebody love you

And your heart won't break

Turn it up if you've been through loveYou're ready now to let go of yesterday

Get on up and get yourself together

He's callin' you, it's all for you

If you don't know Jesus is so in love with youYou, You, yeah that's You just keep doing what

You do

No one does me like You do

That's why I'm so in love with You

Who? You, yeah, it's You and if I have to got through

As long as I'm with You, I'm gone
