

Timeless (feat India.Arie)

Sergio Mendes

Timeless Kindness is timeless
Love is so easy to give
It just takes a moment
To show somebody that you care x2 In the world that we live in
Everybody wants to be so cruel
To be in the in-crowd
Got the hottest clothes, the hottest shoes
We're reading the tabloids
And we're flossing in the club
But the freshest thing you can do is
Give someone your love Kindness is timeless
Love is so easy to give
It just takes a moment
To show somebody you care
Kindness is timeless
Love is so easy to give
It just takes a moment to... Give someone your love
To give someone your lalala love
To give someone your love
Give someone your love
Your lalalala love
Give someone your lalala love The clothes that your wearing
It will one day be out of style
The car that your driving
One day will vax out in miles
Your hair and your makeup
And the time that it takes up
It will take the same care of
Ya give someone ya love
Kindness is timeless
Love is so easy to give
It just takes a moment
To show somebody you care
Kindness is timeless
Love is so easy to give
It just takes a moment to... To give someone your love
To give someone your lalala love
To give someone your love
Give someone your love
Your lalalala love
Give someone your lalala love Give someone your love Cause kindness is timeless.
