

# Except for Monday

Lorrie Morgan

You look surprised  
you didn't think you'd see me  
kicking up my heels  
painting up this toen  
when you said goodbye  
i learned a couple new dances  
i cast a couple of glances  
i'm on a big roll now  
Except for monday, which was never good anyway  
tuesday, i get a little side ways  
wednesday, i feel better just for spite  
thursday and friday take too long  
before i know it, saturday's gone  
but it's sunday now and you can bet that i'm all right

(instrumental)

Don't get me wrong  
it wasn't always this easy  
getting over you  
got a little rough on me  
didn't take too long  
'til i got it together  
and everyday i thank my lucky stars you set me free  
Except for monday, which was never good anyway  
tuesday, i get a little side ways  
wednesday, i feel better just for spite  
thursday and friday take too long  
before i know it, saturday's gone  
but it's sunday now and you can bet that i'm all right

(instrumental)

Except for monday, which was never good anyway  
tuesday, i get a little side ways  
wednesday, i feel better just for spite  
thursday and friday take too long  
before i know it, saturday's gone  
but it's sunday now and you can bet that i'm all right

It's sunday now and everything's all right
