

# Motorola (feat. Swarmz, Deno & Dappy)

## Da Beatfreakz

This is the, this is the 9 side  
Beatfreakz!Motorola, bros on the road now  
The paigons running  
Better go down, making us slow now  
Take no warning  
My mandem mad, don't be sad  
I'm on a motorola  
My mandem can, don't be sad  
We taking over  
Chitty-chitty, bang-bang  
I said chitty-chitty, bang-bang  
Who's that knocking on my door?  
Chitty-chitty, bang-bang  
I said chitty-chitty, bang-bang  
Everyone's ducking on the floor  
Ring ring, pick up Motorola  
And if I rolling with the suttin', let it all out  
See if I pull up with my niners lock your door now  
Pick up the money, 20 minutes and it's overMotorola, bros on the road now  
The paigons running  
Better go down, making us slow now  
Take no warning  
My mandem mad, don't be sad  
I'm on a motorola  
My mandem can, don't be sad  
We taking over  
They think that they bad, but we're sick of it  
We see them live o, but they innocent  
Got the ginger, saw me give to them  
Saw me give to them, saw me give to them  
Them man are liars, they could never spaz like this  
They can never vibe like this  
Deno, dos, tres killed this shit  
16, I'm a boss, but I'm your fatherMotorola, bros on the road now  
The paigons running  
Better go down, making us slow now  
Take no warning  
My mandem mad, don't be sad  
I'm on a motorola  
My mandem can, don't be sad  
We taking overAyy  
Got the driver moving scatty 'cause yeah they wan' pree us

Even when we're in a Prius, same pattern in an Addy  
Baitface, can't even get a K or a patty  
But I'm getting swarmed, I wish I wore me a bally  
Jatties and promoters in my DMs on the regular  
Rolling in the motor talking commas on my cellular  
Out 'ere you woulda though I'm a new gen  
'Cause I be shelling shows since the 32 10  
I should be calling on my Lyca (Hello), and I don't even like her  
Yeah, she A1, but she ain't the one, so I'mma only one night her  
We feed off the energy, as if I need me more frenemies  
And what's up with all this iOS  
about I need to update, it's all stress  
I wish I had aMotorola, bros on the road now  
The paigons running (paigons)  
Better go down (better go), making us slow now (making us slow now)  
Take no warning  
My mandem mad, don't be sad  
I'm on a motorola  
My mandem can, don't be sad  
We taking over  
Jheeee!Beatfreakz!
