

Ice Melts (feat. Young Thug)

Drake

Yeah

Nigga, what you thought?

Slatt, slatt, slatt (yeah, yeah)

Jeffery Feelin' rough, rough

Baby, I'm needin' somethin', somethin'

I wan' beat it up with somethin' somethin'

You're a diamond out the rough or somethin' somethin'

You need to give it up to someone

You need to give love to someone

You need to—fuck what you need!

You need to give it up to someone

Before you end up like

Woah, woah, woah, woah, like

Woah, woah, woah

Woah, woah, woah

Woah, woah, woah

Woah, woah, woah, woah, yeah, yeah

Look, I want you to myself

But I know you just left someone else

I know you did, he did a number on you

That must be why you move so icy

Icy like 1017

Icy like there's nobody who'd ever need

Better not give that all to anyone but me

Patient as could be, but I still need some satisfaction

A little less talk and a little more action

I need you out in Jamaica, relaxin'

Feelin' rough, rough

Baby, I'm needin' somethin', somethin'

I wan' beat it up with somethin' somethin'

You're a diamond out the rough or somethin' somethin'

You need to give it up to someone

You need to give love to someone

You need to—fuck what you need!

You need to give it up to someone

Before you end up like

Woah, woah, woah, woah, like

Woah, woah, woah

Woah, woah, woah

Woah, woah, woah

Woah, woah, woah, woah, yeah, yeah I wanna see you do more in this life if we takin' it there

I want to see you do 911, fuck a Panamera

See you when I see the real thing
Gettin' realer and realer, yeah, yeah, yeah
But you icy like 1017
Icy like there's nobody you'll ever need
Better not give that up
I'm here patient as can be, man I still need some satisfaction
A little less talk and a little more action
I need you out in Jamaica, relaxin'
Thought I had everything somehow Feelin' rough, rough
Baby, I'm needin' somethin', somethin'
I wan' beat it up with somethin' somethin'
You're a diamond out the rough or somethin' somethin'
You need to give it up to someone
You need to give love to someone
You need to—fuck what you need!
You need to give it up to someone
Before you end up like
Woah, woah, woah, woah, like
Woah, woah, woah
Woah, woah, woah
Woah, woah, woah
Woah, woah, woah, woah, yeah, yeah Yeah
Nigga, what you thought?
Slatt, slatt, slatt (yeah, yeah)
Jeffery
Woah, woah, woah, woah
Woah, woah, woah, woah (yeah, yeah)
