

# Everything's Coming Our Way

## Santana

Open your eyes  
Let it begin with me  
Brand new day  
Fresh new way to live  
The mornin' is callin'  
Walk with me into the sun Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way  
Here's my hand  
Reaching out to you  
Take it, darlin'  
And lead me on, yeah Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way Organ Solo Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way  
I can feel it in my bones  
No man stands alone  
Sister, Brother  
From all the same seed Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way
