

Let's Make a Video

Poppy

Get up, put my make up on
I know it's time to go
Say hello to a dumb pop song that They play on the radio
Time for a pic, 'cause I'm all dressed up
Don't make me look too typical
'Cause I'm ready for my close up I said "I'm ready for my close up"
1 2 3 oh c'mon let's go
Let's make a video-o-o 1 2 3 oh c'mon let's go Let's make a video-o-o
Action!
I'm ready
Don't wanna miss a frame
Lights, camera
Action!
Lights, camera Action! Action!
I love you when you're happy
I love you when you're down Lights, camera
Action!
Lights, camera
Action! Action!
I feel at home when my microphone turns up on the studio
Always know that its time to go when I'm done with the video Time for a pic, 'cause I'm all
dressed up
Don't make me look too typical
'Cause I'm ready for my close up
I said "I'm ready for my close up"
1 2 3 oh c'mon let's go
Let's make a video-o-o
