

# The Wizard of Ahhhs (with Pentatonix)

## Todrick Hall & Pentatonix

Somewhere over the Rainbow  
Way Up High  
There's a Land that I've heard  
Once In A lulla.....Shatter every window til it's all blown away  
Every brick, every board, every slamming door blown away  
Blown Away  
Falling from cloud 9  
shatter every window til it's all blown away  
letting go tonight  
I'm wide awake  
I'm wide awake Lollipop  
Oh lolli, lolli, lolli  
Lollipop  
Oh lolli, lolli, lolli  
Lollipop  
Oh lolli, lolli, lolli  
Lollipop  
Lollipop  
Shoes, shoes  
Don't want no short, short man  
let's get some shoes, shoes  
Don't want no short, short man  
I got my ticket for the long way round  
Two bottles of whiskey for the way  
And I Sure Would Like Some Sweet Company  
And I'm leaving tomorrow  
What do you say  
A tornado flew around my room before you came  
Excuse the mess It made  
It usually doesn't rain in  
Southern California  
Much like Arizona  
My eyes don't shed tears  
But boy they Bawl  
When I'm thinking about you  
You know, know, know  
I've been thinking about you  
You know, know, know  
I've been thinking about you  
Do you think about me still  
Do ya, Do ya do do do  
Do do you got a first aid kit, handy

Do do you know how to patch up a wound  
Tell me, a-a-a-are you are you patient, understanding  
Cause I might need some time to clear  
The hole in my heart and I  
I tried every remedy  
And nothing seems to work on me  
Damaged, damaged  
I thought That I should let you know  
That My Heart is Damaged  
So damaged  
And you can blame the one before  
I can't be tamed  
I can't be tamed  
I can't be blamed  
I cannot be tam(ed)  
I knew you were trouble  
When you walked in  
So shame on you now  
took me to places I've never been  
You're just a lion on the cold hard ground(Oh oh yeah oh yeah oh yeah ye-e-e-eah ye-e-e-e-  
eah) I'm living in the emerald city please  
Doing something mean to it  
Do it better than anybody you ever seen doing it  
Screams from the haters  
Got a nice ring to it  
I guess every superhero needs his theme music  
No one man should have all that power  
The clock ticking  
I just count the hours  
Stop tripping  
I'm tripping off the power21st century schizoid manDon't want no money  
I like your beard  
Just want those shoes  
Ain't no wizard that can save you  
From the witch of the west side  
I'll get you and your little dog too  
Cause there ain't no place you can hide  
Show me your feet  
Show them to me  
Now I'm lying on the cold, hard ground  
You know I'm a dreamer  
But my heart's of gold  
I had to run away high  
So I wouldn't come home low  
I'm on my way  
I'm on my way  
Home sweet home  
"I'm going home  
To the place where I belong"

Home sweet home  
"Where your love has always been  
Enough for me"  
It will all be clear  
Don't pay no mind to demons  
They fill you with fear  
And just know you're not alone  
I'm gonna make this place all  
Let me go home  
I'm just too far away from where you are  
I wanna go home  
And now I'm on my way  
I'm On My Way  
Home sweet home  
Tonight  
Tonight  
I'm on my way  
I'm on my way  
I'm on my way

Home sweet home Somewhere over the Rainbow
