

# Hip to My Heart

## The Band Perry

I like your lips like I like my Coca-Cola, yeah  
Oh how it pops and fizzes  
You like my shirt  
like I like it when you hold my hand  
the way it fits  
has got me feeling lucky Lookie who is comin', whoo!  
You got that somethin'  
Boy I wanna be where you are,  
And I'm gunnin' for ya'  
Can't even fall for some other man,  
'Cause brother, man you know how to get hip to my heart..C'mon now!  
All the girls in town look you up and look you down,  
I know so... c'mon and pick your kitten purr, baby, purr,  
go ahead and say the word-lets go!  
I think I'm the one you diggin'  
Got me feeling lucky Lookie, who is comin', whoo!  
you got that somethin'  
boy i wanna be where you are,  
and im gunnin' for ya'  
cant even fall foe some other man,  
'cause brother man, you know how to get hip to my heart. Tell me now, who? Who?  
Tell me now, who? Who? You play it cool  
You play it so coo-coo-cool  
And what am I supposed to do, when you play it so cool  
And I got the hots for you  
Lookie, who is comin', whoo!  
you got that somethin'  
boy i wanna be where you are,  
an im gunnin' for ya'  
cant even fall for some other man,  
'cause brother man, you know how to get hip to my heart. Lookie, who is comin', whoo!  
you got that somthin'  
boy i wanna be where you are,  
an im gunnin' for ya'  
cant even fall for some other man,  
'cause brother man, you know how to get hip to my heart. I said, you know how to get hip to my  
heart

I said, you know how to get hip to my heart
