

# Rewind (feat. Akon)

## Kid Ink

Nights like this gotta get a little crazy  
Taking all these shots like  
I can't miss, time to get a little crazy  
She throwin' that back like  
I pressed rewind  
I pressed rewind I think I might've missed somethin'  
All the messages that I get from  
Your body callin', saying come and get some  
Rewind, let me get a better listen  
First name, last name, put you on a listin'  
We could go for rounds like listin'  
Pound for pound I got that OG  
Stop lookin' around, this were you 'pposed be  
Come in, take a seat with me  
The line outside like the DMV  
And I heard you was lookin' for the TNT in me  
Baby girl I could blow your mind  
You got that good shit that's hard to find  
You got that oh yeah, you know me love you long time  
I wanna know about all the good things and the bad things  
(That we could do)  
I wanna know about all the good things and the bad things  
(That we could do baby) Nights like this  
Taking all these shots like  
I can't miss  
She throwin' that back like  
I pressed rewind  
I pressed rewind  
I'm all yours  
From where I'm sitting baby girl I got a good view  
I'm all yours  
And the way I've been shooting lately ain't no way that I could lose  
Champagne and Tequila, ain't no way I could choose one  
I just mix it all in my solution  
Make sure there's no confusion  
You got that bomb pussy, I know just how to defuse it  
Snake hiss swishin' to your hair like Medusa  
Let me get you high baby, all the way to Jupiter  
It's the time for you to choose, I know you in the mood  
I can tell how you move to the music You got that good shit that's hard to find  
You got that oh yeah, know me love you long time  
I wanna know about all the good things and the bad things

(That we could do)  
I wanna know about all the good things and the bad things  
(That we could do baby)Nights like this  
Taking all these shots like  
I can't miss  
She throwin' that back like  
I pressed rewind  
I pressed rewindBust it open for me baby  
Booty floatin' like a milkshake  
Face just like coco  
But my baby's loco  
Stay livin' YOLO  
Like we're doin' a bandoYou got that good shit that's hard to find  
You got that oh yeah, know me love you long time  
I wanna know about all the good things and the bad things  
(That we could do)  
I wanna know about all the good things and the bad things  
(That we could do baby)Nights like this gotta get a little crazy  
Taking all these shots like  
I can't miss, time to get a little crazy  
She throwin' that back like  
I pressed rewind  
Throwin' that back like I pressed rewind
