

# A Certain Shade of Green

## Incubus

A certain shade of green  
Tell me is that what you mean  
All signs around  
They say move ahead  
Could someone please explain to me  
Your ever present lack of speed  
Are your muscles bound by ropes  
Or do crutches cloud your day  
My sources say the road is clear  
And street signs point the way  
You gonna stand around 'til 2012 AD  
What are you waiting for  
A certain shade of green  
I think I grew a gray watching you procrastinate  
What are you waiting for  
A certain shade of green  
Would a written invitation  
Signed choose now or lose it all  
Sedate your hesitation  
Or inflame and make you stall  
You've been raised in limitation  
But that glove never fit quite right  
The time has passed for hand me downs  
Choose a new  
Please evolve  
Take flight  
You gonna stand around 'til 2012 AD  
What are you waiting for  
A certain shade of green  
I think I grew a gray watching you procrastinate  
You gonna stand around 'til 2012 AD  
What are you waiting for  
A certain shade of green  
I think I grew a gray watching you procrastinate
