

Pipe It Up

Migos

Pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up

I walk in the club just to pipe it up

I stand on this stage and I pipe it up

Get a regular ho tell her pipe it up

Go buy a bando then I pipe it up Pipe it up, pipe it up, pipe it up

I walk in the club just to pipe it up

She was a basic bitch til I piped her up

I'm just doing my dab, I called it the pipe it up

They know that I'm having blue Benjamin's

They know I'm on top of the pyramid

They know I'ma go down in Guinness

All this dab a nigga drippin'

Piped up in the city

Piped up with yo bitches

Piped up in Givenchy

Piped up new edition

When a nigga start talking shit, gotta pipe up the ammunition

Your bitch walkin' around piped up

When she see me, she blowin' kisses

Feelin' like Aladdin, Quavo the genie

I grant your ho three wishes

You know I do magic, Quavo Houdini

I touch the pack and get it missin'

Pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up

I walk in this club just to pipe it up

I stand on this stage and I pipe it up

Go get a regular ho tell her pipe it up

Go buy a bando then I pipe it up Broke niggas still saying "turn it up!"

All my young rich niggas screaming out "pipe it up!"

Benjamins old they extinct like a dinosaur

Look at yo diamonds, yo diamonds ain't bright enough

I send the work to get used in a catapult

Play with the dope in the snow like a hockey puck

Pipe it up, pipe it up, no Roddy Piper

They biting the flow nigga but the Migos got the title

So now niggas dabbing, don't know how it happen

I been touchdown on you niggas ask Madden

Don't forget bitch I'm the dab daddy

In stores now YRN fabric

Pipe it up, bitch it's gon' be the new anthem

I come through swervin in a black Panarama

Pull out the camo when you see me Christian Louboutin, hopping out that's an animal

Now remember, fore we made this song, nobody said pipe it up
Next thing we dropping, we gon' fuck em up, have everybody screaming pipe it up
Pipe it up in the club while I'm on drugs
A nigga fucking up the furniture
Shoot a money ball like Steve Kerr
Pipe it up, I get them pints on reserve
Pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up, pipe it up
I walk in this club just to pipe it up
I stand on this stage and I pipe it up
Go get a regular ho tell her pipe it up
Go buy a bando then I pipe it up
