

# One Minute More

## Capital Cities

Don't wait for an invitation  
No need for reservation  
This life is an exploration  
And you gotta see what I see in you I can't wait one minute more  
The sun does shine  
The sun does shine  
We can't wait one minute more  
The sun does shine  
The sun does shine Just think of a destination  
I'll be your transportation  
We'll find there's a kind of place  
That can only be seen with the naked mind  
I can't wait one minute more  
The sun does shine  
The sun does shine  
We can't wait one minute more  
The sun does shine  
The sun does shine There's a key that opens the door  
Will you find and turn it?  
Take your time, don't take too long  
There's a map that's washed ashore  
Will you find it and burn it? Unleash your imagination  
Two stars one constellation  
Bright lights just to guide the way  
Can you see, what I see in you?  
I can't wait one minute more  
The sun does shine  
The sun does shine  
We can't wait one minute more  
The sun does shine  
The sun does shine  
I can't wait one minute more  
The sun does shine  
The sun does shine  
We can't wait one minute more  
The sun does shine  
The sun does shine
