

Micah No. 5 (Parody of "Mambo No. 5")

ApologetiX

Ladies and Gentlemen ... it's in Micah #5
Want ... to ... read VERSE(5)
2 in Micah in the Bible cause it prophesies
To the little town of Bethlehem and
The Lord says it once was pretty puny
But it's really important
In about 700 B.C.
Old Micah said the Son of God would be
Born eventually, prophetically in Bethlehem Ephrathah
The birthplace of King David
Now you get the Saviour
So what can I do to really thank You my Lord
I see Your birthday is just around the corner
Anything I buy, it's all Yours
Tell me somethin' to get You, I'm stumped here
A little bit of Hannukah -- candlelight
A little bit of caroling -- songs outside
A little bitty wreath -- that's small and green
A little bit of tinsel -- on my tree
A little bit of Santa -- just for fun
A little bit of Mary -- she's Christ's mom
Oh little town of Bethlehem -- in the sand
A little baby, too -- hey, He's the Man!
Micah No. 5!
God's Son came down -- They moved Him all around
Came to Bethlehem town but then Herod tracked Him down
So His mom and dad left -- on one sad night
Went down to Egypt -- and once Herod died
Nazareth was -- the place that they'd reside
They said it looks like this kid is gonna be the Christ
CHORUSTrust it! I trust it!
Micah No. 5 -- ha, ha, haCHORUS
Micah 5: 2
God above has a bird's-eye view
His human Son was prophesied
You can read it in Micah 5
Micah No. 5
