

# The Way She Moves (feat. Akon)

## Zion

Konvict(Zion)

Zion Baby

Oooooooooohhhhhhhh...()

I love the way she moves, I see the way she's coming

I wanna rock her body, I know she's waiting for me

I love the way she moves, I see the way she's coming

I wanna rock her body, I know she's waiting for me

(Zion)

Like Shakira belly dancing on the Grammy Awards

Like Beyonce clapping hard for the MTV show

She's so amazing, she drives me crazy

Baila, baila mamita que te quiero ver

Rompiendo la pista abusadora

Eres bien tentadora de todas la mas seductora

Baila, baila mamita que te quiero ver

Rompiendo la pista abusadora

Eres bien tentadora de todas la mas seductora()

I love the way she moves, I see the way she's coming

I wanna rock her body, I know she's waiting for me

I love the way she moves, I see the way she's coming

I wanna rock her body, I know she's waiting for me

(Zion)

She is so temptin that I can't deny

For us to be together, side by side

La noche esta buena para experimentar Just me and you together sin parar(Akon)

Excuse me, Zion

Don't mean to interrupt but she's fire

The way her body jigglin all in her attire

Dropping it down low while she bring it up higher()

I love the way she moves, I see the way she's coming

I wanna rock her body, I know she's waiting for me

I love the way she moves, I see the way she's coming

I wanna rock her body, I know she's waiting for me(Akon)

Shorty so sexy, I wanna take you to my crib

Excuse me Kon let me help you out, she don't speak no English

Ella se ve de lo mas de bien quiero sacarte de aqui

Por si no lo sabias esta noche, you gonna end up with me

Then I can just ride you, you know slip and slide you

Flip you over good love is what I can provide you

If you don't want it then walk away cuz it's your right to

But I wanna show you to the world, never hide you

Cuz you're the most beautiful thing that I ever seen

And you got the potential to blow me up like gasoline  
Girl I'm trying to be patient, trying to be a gentleman  
Can't you see what you are doing to me?()

I love the way she moves, I see the way she's coming  
I wanna rock her body, I know she's waiting for me  
I love the way she moves, I see the way she's coming  
I wanna rock her body, I know she's waiting for me
