

The Fountain (feat. Steven Wilson)

Pendulum

You sure, you're right?
Well no, you're wrong.
You don't feel my energy,
But it won't be long.
I see, the sun,
Believe the dark.
Soon I disappear,
But I'll make my mark. All these fears
And all this love,
All you've given me -
It's not enough.
All my dreams
And all this stuff -
All made real
And it's not enough.
Watching,
Waiting,
Shaping,
Faking,
Shocking,
Pumping,
Mocking,
Stopping,
Falling,
Stalling,
Warning,
Crawling,
Rejecting,
Perfecting,
Marauding,
Ending.
Behind my eyes
Is rage alone,
But you don't understand
It was all homegrown.
I'm not afraid,
I just don't belong.
It may be cynical,
But it all seems wrong. All these fears
And all this love,
All you've given me -
It's not enough.

All my dreams
And all this stuff -
All made real
And it's not enough. Watching,
Waiting,
Shaping,
Faking,
Shocking,
Pumping,
Mocking,
Stopping,
Falling,
Stalling,
Warning,
Crawling,
Rejecting,
Perfecting,
Marauding,
Ending. Behind my eyes
Is rage alone,
But you don't understand
It was all homegrown.
I'm not afraid,
I just don't belong.
It may be cynical,
But it all seems wrong. All these fears
And all this love,
All you've given me -
It's not enough.
All my dreams
And all this stuff -
All made real
And it's not enough. Watching,
Waiting,
Shaping,
Faking,
Shocking,
Pumping,
Mocking,
Stopping,
Falling,
Stalling,
Warning,
Crawling,
Rejecting,
Perfecting,
Marauding,
Ending.
