

# The Feeling (feat. Halsey)

Justin Bieber

You are to me  
A part of me just like anatomy  
You're pulling me  
You're pulling me in like you're gravity I'm notorious for thinking you're full of beautiful  
Instead of hollow  
Sugar on your lips, it's hard to kill  
Jagged like a pill, so hard to swallow Am I in love with you?  
Am I in love with you?  
Or am I in love with the feeling?  
Trying to find the truth, trying to find the truth  
But sometimes the heart is deceiving  
Can't get out of my head and I need you to save me  
If I am delusional then maybe I'm crazy  
In love with you, am I in love with you?  
Or am I in love with the feeling?  
You give to me  
Everything, anything that I could dream  
And at least that's what it seems  
Could it be I don't know what's good for me? I'm notorious for thinking you're full of beautiful  
Instead of hollow  
Sugar on your lips, it's hard to kill  
Jagged like a pill, so hard to swallow Am I in love with you?  
Am I in love with you?  
Or am I in love with the feeling?  
Trying to find the truth, trying to find the truth  
But sometimes the heart is deceiving  
Can't get out of my head and I need you to save me  
If I am delusional then maybe I'm crazy  
In love with you, am I in love with you?  
Or am I in love with the feeling?  
I'm sinking faster and faster  
Between heaven and disaster  
Sorry if I made you feel like  
I'm standing on the borderline Am I in love with you?  
Am I in love with you?  
Or am I in love with the feeling?  
Trying to find the truth, trying to find the truth  
But sometimes the heart is deceiving  
Can't get out of my head and I need you to save me  
If I am delusional then maybe I'm crazy  
In love with you, am I in love with you?  
Or am I in love with the feeling?
