

# What the World Needs Now Is Love

[Dionne Warwick](#)

What the world needs now is love sweet love,  
Its the only thing that there's just a little of,  
What the world needs now is love sweet love,  
No, not just for some but for everyone,  
Lord we don't need another mountain,  
There are mountains and hillsides,  
Enough to climb  
There are oceans and rivers,  
Enough to cross, enough to last till the end of time,  
What the world needs now is love sweet love,  
Its the only thing that there's just a little of,  
What the world needs now is love sweet love,  
No, not just for some but for everyone,  
Lord, we don't need another meadow,  
There are cornfields and wheat fields,  
Enough to grow There are sunbeams and moonbeams,  
Enough to shine,  
Oh listen lord, if you want to no,  
What the world needs now is love sweet love,  
Its the only thing that there's just a little of,  
What the world needs now is love sweet love,  
No, not just for some,  
Oh but just for every every everyone  
What the world needs now (oh)  
Is love sweet love (is love)  
What the world needs now (oh)  
Is love sweet love (is love)  
What the world needs now (oh)  
Is love sweet love (is love)
