

Magic (feat. Nile Rodgers & Brandy) [Etnik Remix]

Mystery Skulls

The spell you got on me, it's like magic
Got me feeling like falling in love
Got me feeling like I'll never give up on
Got me feeling like I'll never give up on you
It's like magic I got you feeling like you're falling in love
I got you feeling like you'll never give up on
I got you feeling like you'll never give up on It's like magic
Got me feeling like falling in love
Got me feeling like I'll never give up on
Got me feeling like I'll never give up on you
It's like magic
I got you feeling like you're falling in love
I got you feeling like you'll never give up on
I got you feeling like you'll never give up on
Magic, Magic, Oooh
Magic, Magic, Oooh
Magic, Magic, Magic, Magic, Oooh
Magic, Magic, Oooh
Magic, Magic, Oooh
Magic, Magic, Magic, Magic It's not the way you wear your hair
Or you just crept out of bed, oh no
It's not the way you move your eyes
So it took me by surprise, oh no.
Before this night is over, I pull your body closer
I'mma give it to ya
I wanna get back
Before this night is over,
I pull your body closer.
The spell you got on me, it's like magic
Got me feeling like falling in love
Got me feeling like I'll never give up on
Got me feeling like I'll never give up on you
It's like magic
I got you feeling like you're falling in love
I got you feeling like you'll never give up on
I got you feeling like you'll never give up on Magic, Magic, Oooh
Magic, Magic, Oooh
Magic, Magic, Magic, Magic, Oooh
Magic, Magic, Oooh
Magic, Magic, Oooh

Magic, Magic, Magic, Magic
