

# Hallucinating

## Elohim

Am I dreaming  
Walking in my sleep  
I just can't drop this feeling underneath my feet  
These London streets are moving  
Rising up and meeting me  
You know I see our faces eyes I'm hallucinating, I'm hallucinating  
I'm hallucinating, I'm hallucinating Daily life feels like a constant dream  
I keep on tripping out  
Aye, why am I such a freak?  
I don't know why that painting's staring back at me  
I swear, I think its eyes just moved  
I'm hallucinating, I'm hallucinating  
I'm hallucinating, I'm hallucinating Baby, I'm scared to drink the water  
Baby, I think you drank the water A hallucination is a perception  
In the absence of external stimulus  
That has qualities of real perception  
Hallucinations are vivid, substantial  
And are perceived to be located in external objective space  
I'm hallucinating, I'm hallucinating  
I'm hallucinating, I'm hallucinating I'm hallucinating, I'm hallucinating  
I'm hallucinating, I'm hallucinating
