

# Loud Places (feat. Romy)

Jamie xx

I go to loud places  
To search for someone  
To be quiet with  
Who will take me home  
You go to loud places  
To find someone who  
Will take you higher than...  
I took you  
Didn't I take you to...  
Higher places you  
Can't reach without me  
I have never reached such highs  
(Reach without me)  
I feel music in your eyes  
I have never reached such highs

...

I go to those places  
Where we used to go  
They seem so quiet now  
I'm here all alone  
You go to new places  
With I don't know who  
And I don't know how  
To follow you  
Higher, I take you higher  
I'll take you higher  
Didn't I take you higher?  
I'll take you higher, I take you higher  
I'll take you  
Didn't I take you higher?  
Didn't I take you to Higher places you  
Can't reach without me  
I feel music in your eyes  
I have never reached such heights  
(Reach without me)  
I feel music in your eyes  
I have never reached such heights  
I feel music in your eyes  
I have never reached such highs  
Your on ecstasy  
Without me  
When you come down

I won't be around
