

# Bury Me With My Guns On

## Bobaflex

Hey\*  
Hey  
Hey  
Hey This conversations over  
It makes no sense to me  
You could have stopped the suffering  
You could have stopped the screams But now your reign is over  
It to me  
I'm going to show you what I mean Bury me with my guns on  
So when I reach the other side  
I can show him what it feels like to die  
Bury me with my guns on  
So when I'm cast out of the sky  
I can shoot the devil right between the eyes Hey  
Hey  
Hey  
Hey The pearly gates are broken  
And its the strangest thing  
The angels could have warned you  
But no one said a thing The shot was quick and painless  
And did change everything  
It's time to choose a better king Bury me with my guns on  
So when I reach the other side  
I can show him what it feels like to die  
Bury me with my guns on  
So when I'm cast out of the sky  
I can shoot the devil right between the eyes The castles falling down  
Beneath the deep blue sea  
They've seen my face before  
Will they remember me? I scream the words out loud  
Our souls are finally free  
Its time to open up our eyes Hey  
Hey  
Hey  
Hey Bury me with my guns on  
So when I reach the other side  
I can show him what it feels like to die Bury me with my guns on  
So when I'm cast out of the sky  
I can shoot the devil right between the eyes Bury me with my guns on  
So when I reach the other side  
I can show him what it feels like to die Bury me with my guns on  
So when I'm cast out of the sky

I can shoot the devil right between the eyes  
The castles falling down  
Beneath the deep blue sea  
They've seen my face before  
Will they remember me?  
I scream the words out loud  
Our souls are finally free  
Its time to open up our eyes  
Hey  
Hey  
Hey
