My roof is stuck, my house, my luck

My bitch, my yard, my cash enlarged, ayy

Left the bitch attitude at the old place

Nine on my lap, I ain't never play it safe

I ain't gotta rap to you niggas, been straight

You ain't Q

Lying for the 'Gram, bitch, you ain't cute

Hate this, hate that, that ain't cool

Said I did you dirty, but that ain't true, ayy

[Chorus: Ty Dolla \$ign & YG]

Stop tellin' lies on me, that shit ain't okay, hey, hey, hey

Stop tellin' lies on me, that shit ain't okay, hey, hey, hey

You said I hit it raw, you lyin'

You said I ate them drawers, you lyin'

Reachin' for the stars, you tryin'

The homegirls wanna beat your ass and now you hiding

I fucked you once, once enough

I beat it up, then left you stuck

We not in touch, you mad as fuck

I'ma try to stop thinking with my dickhead for once, ayy

You want some rapper dick for the clout

She wanna be seen when you take her out

You from LA but you made it to the South

Fresh off the flight 'cause you just got flewed out
Damn, find out your Instagram a lie (It's a lie)
You fucked up my vibe (Fucked up my vibe)
Can't fuck with you 'cause I got too much pride (Too much pride)
Go Gucci Mane, get the fuck out my ride [Chorus: Ty Dolla \$ign]
