

# Search Party (Bearcubs Remix)

Sam Bruno

Meet me out in Paris  
I'll be on the elevator  
Halfway up the Eiffel Tower  
Halfway up to space  
Lately I've been dreamin' 'bout the desert, uh  
We'll be ridin' through the thunder on a midnight train  
And baby would you say these are the best of our days  
Gonna be out, lookin' for us all night  
And they got a search party with their big flashlights  
And they're searchin' high, searchin' low, searchin' super wide  
Ghetto choppers in the sky and they flyin' super high  
Gonna be out, lookin' for us all night  
And they got a search party with their big flashlights  
And they're searchin' high, searchin' low, searchin' super wide  
Ghetto choppers in the sky and they flyin' super high  
Meet me out in Paris  
I'll be on the elevator  
Halfway up the Eiffel Tower  
Halfway up to space  
Jamaica, jumpin' over the equator, uh  
While we underneath the water  
We can ride the waves  
And baby let 'em chase us for the rest of our days  
Gonna be out, lookin' for us all night  
And they got a search party with their big flashlights  
And they're searchin' high, searchin' low, searchin' super wide  
Ghetto choppers in the sky and they flyin' super high  
Gonna be out, lookin' for us all night  
And they got a search party with their big flashlights  
And they're searchin' high, searchin' low, searchin' super wide  
Ghetto choppers in the sky and they flyin' super high  
Boats and trains and cars and planes like  
Boats and trains and cars and planes like oh  
Like Oh  
Sayin' na na na na na  
Catch me if you can  
Clouds, clouds, clouds  
No no  
Find me in the clouds  
Ain't no goin' down  
No no  
Ain't no lookin' down

High, High, High, High, High, High, High, High  
Na na na na na  
Catch me if you can  
Gonna be out, lookin' for us all night  
And they got a search party with their big flashlights  
And they're searchin' high, searchin' low, searchin' super wide  
Ghetto choppers in the sky and they flyin' super high  
Gonna be out, lookin' for us all night  
And they got a search party with their big flashlights  
And they're searchin' high, searchin' low, searchin' super wide  
Ghetto choppers in the sky and they flyin' super high  
Be out all night, search party, flashlights  
Be out all night, search party, flashlights  
Be out all night, search party, flashlights  
Be out all night  
Party
