

# History Has Its Eyes On You

John Legend

Whoa...  
Whoa... Oooh  
Oo-oooh I was younger than you are now  
When I was given my first command  
I led my men into a massacre  
Witnessed their deaths firsthand  
Oh, I made every mistake  
I felt the shame rise in me  
And even now I lie awake  
Knowing history, history History has its eyes on me  
History, history, history, aaah  
History has its eyes on me  
History, history, history  
Ahhh  
Let me tell you what I wish I'd known  
When I was young and dreamed of glory  
Don't nobody have control  
Who lives, who dies, who tells your story I know that we can win  
I know that greatness lies in you  
But remember from here on in  
History, history History has its eyes on you  
History, history, history, aaah  
History has its eyes on you  
History, history, history  
Ahhh Whoa...  
Whoa... (whoa)  
Whoa...  
History has its eyes on you  
History, history, history (whoa)  
Aaah  
History has its eyes on you (oooh)  
History (ahhh)  
History has its eyes on you (oooh, ooh)  
History, history  
Oooh, yeah
