

Got It On Me

Pop Smoke

Look Have mercy on me, have mercy on my soul Don't let my heart turn cold

Have mercy on me, have mercy on my soul

Don't let my heart turn cold

Have mercy on many men

Many, many, many, many men

Wish death 'pon me

Yeah, I don't cry no mo'

I don't look to the sky no mo'

'Cause I got it on me

I got it on me (Talk that shit)

I got it on me

You can run up if you want (Fuck is you talking 'bout?)

Look

It's Pop Smoke, niggas know me

Keep .24's like I'm Kobe

Is you ridin' or you hidin'?

If you slidin', then you owe me (Owe me)

Run up, catch cold feet

Niggas act tough then call police

I don't make friends, yeah, I make bands

Want some Ray-Bans 'cause I'm a OG

This AR be my trophy

Shoot first, nigga, shoot back

.09, niggas woo back

Nigga automatic when the woo clap

Shoot first, nigga, shoot back

.09, niggas woo back

Nigga automatic when the woo clap

(Automatic when the woo clap)

Have mercy on me, have mercy on my soul

Don't let my heart turn cold

Have mercy on me, have mercy on my soul

Don't let my heart turn cold

Have mercy on many men

Many, many, many, many men

Wish death 'pon me

Yeah, I don't cry no mo'

I don't look to the sky no mo'

'Cause I got it on me

I got it on me

I got it on me

You can run up if you want 50 shots up in this Glock, I won't let up

XD, niggas totin' Berettas
Shoot first and do yourself a favor
Report like I'm Craig Sager
Back out, niggas ain't with the bluffin'
Dread Woo, a nigga shoot you for nothin'
Ten toes on your block like I'm drummin'
SK'll have a blicky runnin', it's Pop Smoke
It's that nigga from the Floss, your bitch right back
And I don't politic 'cause niggas ain't like that
I drop a slip or two and get a light pack
And I 'on't care if you losin', still fight back
Have mercy on me, have mercy on my soul
Don't let my heart turn cold
Have mercy on me, have mercy on my soul
Don't let my heart turn cold
Have mercy on many men
Many, many, many, many men
Wish death 'pon me
Yeah, I don't cry no mo'
I don't look to the sky no mo'
'Cause I got it on me
I got it on me
I got it on me
You can run up if you want
Mercy on me
