## This Means War

## **Avenged Sevenfold**

Hide my face again, harbor in the shadows
Feel this weight of sin hammering away
Die - with the guilt of a thousand AWOL soldiers
Die - watch the scythe usher me astrayI can't go on this way

Not as I am today

The ugly side of me is strongTake aim, a loaded gun

Pull back on all who run

A coward's truth inside the wrong

This means war

This means war

This means warLash your tongue of bane

Carry me to nowhere

Mental holocaust

Battle never ends

Lie! Mask the pain

Of a child who's forsaken

Lie! To myself

Praise the new regimeI left me long ago

Reasons you'll never know

No one to miss me when I'm gone

With no more words to say

No argument to stay

Another post I don't belong

This means war

This means war

This means war

This means war

This means warNo home to call my own

No finding someone new

No one to break the fall

No one to see me through

No name to carry on

No promise for today

No one to hear the call

No tattered flag to raiseWalk the razor's edge

Cut into the madness

Question all you trust

Buy into the fear

I see the man ripping at my soul now

I, I know the man

I know him all too wellThere's nothing here for free

Lost who I want to be

My serpent blood can strike so cold
On any given day
I'll take it all away
Another thought I can't control
This means war
This means war
This means war

This means war This means war
