

Nothing Wrong (with Marc Broussard)

LeAnn Rimes

I would've slipped off my jeans
And slipped on my heels
If I knew I'd see you
This diamond ring
Gets kinda loose
Gotta watch myself
Around you Glad you finally
Said somethin'
'Cause it's been
Weighin' on my mind
And messin' with my life
I wonder
Should I feel guilty
But we haven't crossed
That line
We ain't doin'
Nothin' wrong, ooo
Nothin' wrong
As long we keep
It innocent
I'm just tryin'
To have some fun
But baby
You're drivin' me crazy
I ain't tryin'
To make you crazy
For me it ain't
That much fun
If we ain't
Doin' nothin' wrong
If you only knew
What you do to me
When you walk away
If I had a chance
Gave you a taste
Well baby
You'd be
Beggin' me to stay Sometimes I wonder
What it'd feel like
But I gotta good man
And I'm a damn good wife
I don't wanna feel guilty

But it's getting awfully
Hard to believe We ain't doin'
Nothin' wrong, oh yeah
Nothin' wrong as long
We keep it innocent
I'm just tryin'
To have some fun
But baby
You're drivin' me crazy
I ain't tryin'
To make you crazy
For me it ain't
That much fun
If we
Ain't doin' nothin' I'd never ask you
Would you leave
The one you love?
I'd never tell you
I want you so bad it hurts
I like the way
You make me feel
Baby, can we make it real?
If we don't make it real I'm just tryin'
To have some fun
But baby
You're drivin' me crazy
I ain't tryin'
To make you crazy
For me it ain't
That much fun
If we ain't
Doin' nothin'
If we ain't
Doin' nothin' wrong
