

# Re-Wired

## Kasabian

I feel like the time has come  
A fearless rescue from everyone  
Who made you the master?  
The lady caster, I found you looking for a good time  
I was out in exile perfecting my style  
I knew you wanted a reaction Hit me! Harder! I'm getting re-wired  
I flip the switch that make you feel electric  
Even! Faster! Than before  
I'm gonna light 'em up with you  
I'm gonna light 'em up with you  
Try to keep up, you scatter brain  
She will enter through your vein  
Who was your creator?  
The one who made you, the flame I need to heat the silver  
You'd bring Gods to their knees pick out the bad seeds  
Relieve the generals of theirs duties  
Hit me! Harder! I'm getting re-wired  
I flip the switch that make you feel electric  
Even! Faster! Than before  
I'm gonna light 'em up with you  
I'm gonna light 'em up with you Who made you the master?  
The Lady caster, I found you looking for a good time  
Now this blood and glitter, it tastes so bitter  
There's no retreat for I surrender  
Hit me! Harder! I'm getting re-wired  
I flip the switch that make you feel electric  
Even! Faster! Than before  
I'm gonna light 'em up with you  
I'm gonna light 'em up with you
