Re-Wired

Kasabian

I feel like the time has come A fearless rescue from everyone Who made you the master? The lady caster, I found you looking for a good time I was out in exile perfecting my style I knew you wanted a reactionHit me! Harder! I'm getting re-wired I flip the switch that make you feel electric Even! Faster! Than before I'm gonna light 'em up with you I'm gonna light 'em up with you Try to keep up, you scatter brain She will enter through your vein Who was your creator? The one who made you, the flame I need to heat the silver You'd bring Gods to their knees pick out the bad seeds Relieve the generals of theirs duties Hit me! Harder! I'm getting re-wired I flip the switch that make you feel electric Even! Faster! Than before I'm gonna light 'em up with you I'm gonna light 'em up with youWho made you the master? The Lady caster, I found you looking for a good time Now this blood and glitter, it tastes so bitter There's no retreat for I surrender Hit me! Harder! I'm getting re-wired I flip the switch that make you feel electric Even! Faster! Than before
