Hotdoggin'

Fu Manchu

Built on a huge fort - that much I know Maybe a good deal - hard to find Location unknown - again this timeChorus: Keepin' the road clear Hang at the back Old Miss River We see at last Invisible Has seen it fall And 10 times over That ain't allEliminate - and move on through Learn from the master - like we knew Early morning hour - time drew close Over the top - that much we knowChorus Again they roll on and on Hotdoggin' X4
