

Headturner

Joss Stone

Verse:

Work it

Girls, we gotta work it like we do

Turn a head or two 'Cause we're worth it

And I ain't gonna waste my time waiting on you

Gotta make your move You had my number for

two or three days or more

If you're a real man, then you can't ignore

mmm, mmm this Sometimes it's physical,

but I want supernatural

I ain't got wings but I'm ready to fall

I deserve it all

CHORUS:

Headturner, yeah

Soul burner

If you're gonna watch me walk,

then watch me walk Headturner, yeah

Are you a slow learner?

Come and take my hand

'Cause I'll find another man If you're gonna watch me walk,

then watch me walk. Verse:

You gotta earn it

Nothing in life is free

You gotta bring your love to me, baby, baby, baby

Emotional (ooh, I got it)

Sexual (ooh, I got it)

Spiritual (God knows I got it)

What you want, baby I got it

CHORUS:

Headturner, yeah

Soul burner

If you're gonna watch me walk,

then watch me walk Headturner, yeah

Are you a slow learner?

Come and take my hand

'Cause I'll find another man If you're gonna watch me walk,

then watch me walk. Bridge:

No one can love you like I love you

No one can do the things that I would do you

I'd do something about it, if I were you

Or feel my heels as I'm walking over you CHORUS: (x2)

Headturner, yeah

Soul burner

If you're gonna watch me walk,
then watch me walkHeadturner, yeah

Are you a slow learner?

Come and take my hand

'Cause I'll find another manIf you're gonna watch me walk,
then watch me walk.
