

# I Saw Red

## Warrant

Oo it must be magic  
How inside your eyes  
I see my destiny  
Every time we kiss  
I feel you breathe your love so deep inside of me  
If the moon and stars should fall  
They'd be easy to replace  
I would lift you up to heaven  
And you would take their place Then I saw red  
When I opened up the door  
I saw red  
My heart just spilled onto the floor  
And I didn't need to see his face  
I saw yours  
I saw red when I closed the door I don't think I'm gonna love you anymore

...  
Everyday I wake up  
I thank God that you are still a part of me  
We've opened up the door to which  
So many people never find the key And if the sun should ever fail to send its light  
We would burn a thousand candles  
And make everything alright Then I saw red  
When I opened up the door  
I saw red  
My heart just spilled onto the floor  
And I didn't need to see his face  
I saw yours  
I saw red when I closed the door  
I don't think I'm gonna love you anymore

...  
I've been hurt  
And I've been blind  
I'm not sure that I'll be fine  
I never thought it would end this way

...  
So I saw red  
When I opened up the door  
I saw red  
My heart just spilled onto the floor  
And I didn't need to see his face  
I saw yours  
I saw red when I closed the door

I don't think I'm gonna love you anymore  
Ohh it must be magic
