I Saw Red

Warrant

Oo it must be magic How inside your eyes I see my destiny Every time we kiss I feel you breathe your love so deep inside of me If the moon and stars should fall They'd be easy to replace I would lift you up to heaven And you would take their placeThen I saw red When I opened up the door I saw red My heart just spilled onto the floor

And I didn't need to see his face

I saw yours

I saw red when I closed the doorI don't think I'm gonna love you anymore

Everyday I wake up I thank God that you are still a part of me We've opened up the door to which

So many people never find the keyAnd if the sun should ever fail to send its light We would burn a thousand candles

And make everything alrightThen I saw red

When I opened up the door

I saw red

My heart just spilled onto the floor And I didn't need to see his face

I saw yours

I saw red when I closed the door I don't think I'm gonna love you anymore

I've been hurt And I've been blind I'm not sure that I'll be fine I never thought it would end this way

So I saw red When I opened up the door I saw red My heart just spilled onto the floor And I didn't need to see his face I saw yours I saw red when I closed the door

I don't think I'm gonna love you anymore Ohh it must be magic Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
