Robyn Is Here

Robyn

Robyn is here Robyn is here

Robyn is here gotta let you know

Lend me your ears can you hear my flowWake up people there's something new in the air

Can you hear it, smell it, feel it, Robynis here

Provin' I'm alive when I'm comin' with the spring

Makin' my debut summer '95, startin' to sing

Better wake up 'cause I will make you feel alright

Will get you in that freaky mood, will make you make love tonight

I am here to sing, joy is what I bring

Comin' with a positive feelin' Cause this is a Robynthing

Robyn is here

Robyn is here

Robyn is here gotta let you know

Lend me your ears can you hear my flowGoin' downtown sittin' in the frontseat

My head is spinnin' around and around because of the heat

The sun is shinin' it makes everybody horny

I'm just about to face it that everybody I know is goin' crazy

My girls are dressed up from their heads to their feet

But there ain't much them clothes will hide

Guys are makin' making the scene complete

I'm tellin' it's contagious it's the summervibe and I'm here nowChorus

A dedication to this special time of the year

And a celebration 'cause finally I am here

Spreadin' love to all of my family and my friends

To that special one I'm thinkin' of and to my audience

I'm lettin' everything else go, have only one thing on my mind tonight

I am gonna let you know my flow I'm gonna make you feel alright Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
