

One Thing

San Holo

Why do I feel like I'm running?
Always chasing after something
Why do I feel like I'm running?
Searching all the world for one thing
Wandering
Wandering
Giving all I've got for one thing
Wandering
Wandering
Searching all the world for one thing
Why do I feel like I'm running?
Always chasing after something
Why do I feel like I'm running?
Searching all the world for one thing
Wandering
