

# Rescue Me

## OneRepublic

Would you rescue me?  
Would you get my back?  
Would you take my call when I start to crack? Would you rescue me? Ahh  
Would you rescue me?  
Would you rescue me when I'm by myself?  
When I need your love, if I need your help  
Would you rescue me? Ahh  
Would you rescue me? We don't talk much, not anymore  
Broken bottles and slammin' doors  
But we still care about each other  
Say we care about each other  
I know life took us far away  
But I still dream 'bout the good old days  
When we took care of each other  
We were livin' for each other  
But I start to wonder, wonder  
If I'm slipping under, under (Oh, oh) Would you rescue me?  
Would you get my back?  
Would you take my call when I start to crack?  
Would you rescue me? Ahh  
Would you rescue me?  
Would you rescue me when I'm by myself?  
When I need your love, if I need your help  
Would you rescue me? Ahh  
Would you rescue me?  
Would you rescue me?  
Would you get my back?  
Would you take my call when I start to crack?  
Would you rescue me? Ahh  
Would you rescue me? (Would you rescue me?)  
Would you rescue me when I'm by myself?  
When I need your love, if I need your help  
Would you rescue me? Ahh  
Would you rescue me?  
Yeah, I miss all the times we had  
Can't forget what you can't get back  
And you can't find it in another  
Man, time, it ain't your lover  
I don't care what you thought before  
I'll be there anytime you call  
Don't you ever call another  
No need to call another And I start to wonder, wonder

If I'm slipping under, under (Oh, oh) Would you rescue me?  
Would you get my back?  
Would you take my call when I start to crack?  
Would you rescue me? Ahh  
Would you rescue me? (Would you rescue me?)  
Would you rescue me when I'm by myself?  
When I need your love, if I need your help  
Would you rescue me? Ahh  
Would you rescue me? Yeah Would you rescue me?  
Oh, rescue me (Would you rescue me?)  
Would you rescue me?  
Oh, rescue me (Would you rescue me?) Would you rescue me?  
Would you get my back?  
Would you take my call when I start to crack?  
Would you rescue me? Ahh  
Would you rescue me?  
Would you rescue me when I'm by myself?  
When I need your love, if I need your help  
Would you rescue me? Ahh  
Would you rescue me?
