

# Set Me Free

## Velvet Revolver

You operate and motivate  
On synthetic fuel  
You're mother nature  
And an atom bomb  
As long as you're kept  
Full of pretty bodies  
Your little secret  
Will be safe with me Around again  
Insane again  
It comes again  
And sets me free  
So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free  
So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free You're kept alive and polarized  
With one thing in mind  
Metabolize everything that you see  
But now and then or a little later  
Now I'm gonna take you down with me Around again, insane again  
She comes again  
And sets me free  
So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free  
So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free So take me down  
Take me, down, down, down, down  
Take me down, take me down  
So take me down  
Take me, down, down, down, down  
Take me down, take me down So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free  
So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free  
So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me free

So set me free, set me free  
'Cause I think you need my soul  
Set me free, set me freeMy freedom!  
My freedom!  
My freedom!  
My freedom!  
My freedom!
