

# Cloudbusting (2018 Remaster)

Kate Bush

I still dream of Orgonon  
I wake up crying  
You're making rain  
And you're just in reach  
When you and sleep escape me  
You're like my yo-yo  
That glowed in the dark  
What made it special  
Made it dangerous  
So I bury it  
And forget  
But every time it rains  
You're here in my head  
Like the sun coming out  
Ooh, I just know that something good is gonna happen.  
And I don't know when  
But just saying it could even make it happen  
On top of the world  
Looking over the edge  
You could see them coming  
You looked too small  
In their big black car  
To be a threat to the men in power.  
I hid my yo-yo  
In the garden.  
I can't hide you  
From the government  
Oh, God, Daddy  
I won't forget  
'Cause every time it rains  
You're here in my head  
Like the sun coming out  
Ooh, I just know that something good is gonna to happen.  
And I don't know when  
But just saying it could even make it happen  
And every time it rains  
You're here in my head  
Like the sun coming out  
Like your son's coming out  
Ooh, I just know that something good is going to happen  
And I don't  
know when  
But just saying it could even make it happen  
Ooh, just saying it could even make it happen  
We've been cloudbusting daddy  
The sun's coming out  
Your son's coming out
