

My Teachers (feat. Sunny & At3)

Jake Paul

[Intro - Jake Paul]

Yo. JP

Look, I'm a millionaire, but I ain't used nothin' in my life that my teachers taught me [Chorus - Jake Paul]

My teachers never taught me that! (My teachers never taught me that!)

How to deal with this or that!

How to make my paper stack

How to get a DM back

How to buy a Lambo cash!

[Verse 1 - Jake Paul]

My teachers never taught me that! (Yo!)

My teachers never liked me one bit!

They said I would amount to be shit!

They thought I was just another misfit!

I had to make like a banana split!

Now, Jakey in a mansion

Got 8 builders for expansion!

All these diamonds on my dances

Mrs. Clause just see me flashin'!

My Lambo hit the gas

All these Priuses i'm passing!

Doin' 6 to Calabases

Man I feel like Kim Kardashian!

[Chorus - Jake Paul]

My teachers never taught me that! (My teachers never taught me that)

How to deal with this or that!

How to make my paper stack!

How to get a DM back

How to buy a Lambo cash! [Verse 2 - Sunny Malouf]

My teachers said I needed to get up on my grades

I need to get my Bs and raise them up to them A's!

I walk in the class, I got Supreme on my J's!

You always tryna hate but you got nothin' to say!

I'm almost at the top, I'm the young LeBron James!

I'm not the same in my own brain

I'm in a different lane!

It's yo girl Sunny and call me Mrs. Stay-On-Top!

I'm on this record killin' the game, and this a bop!

[Chorus - Jake Paul]

My teachers never taught me that! (My teachers never taught me that)

How to deal with this or that!

How to make my paper stack!

How to get a DM back
How to buy a Lambo cash![Verse 3 - Anthony Trujillo]
Neva' taught me how to flow
And I be on the beats!
Skippin' class all day
There be Fs all on my sheet!
Detentions everyday
Got me kicked off the team!
The teachers never cared about my California Dream!
I was nothin'
A nerd just like McLovin!
My teacher's frontin'
Talkin' shit 'cause I'm nothin'!
Now I'm somethin'
Speaker's bumpin'
Crowd jumpin'
Money comin'
Got my wrist flooded
Girls lovin' [?!][Chorus - Jake Paul]
(Damn!)
My teachers never taught me that! (My teachers never taught me that)
How to deal with this or that!
How to make my [?!]
How to get a DM back
How to buy a Lambo cash!
